### **Dr. Dan Prince, a pediatric orthopedic oncologist joins the staff at St. Mary's Medical Center.**

#### **St. Mary's Medical Center Welcomes Pediatric Orthopedic Oncologist**

St. Mary's Medical Center is proud to announce that Dr. Daniel E. Prince, fellowship trained pediatric orthopedic oncologist, has joined the hospital's medical staff.

Dr. Prince has an impressive educational background. He earned his Bachelor of Science degree from Notre Dame University, his M.D. and M.P.H. from Yale University and completed his orthopedic surgery residency at the New York Presbyterian Hospital at Columbia University Medical Center in New York, NY. In addition to completing a limb deformity reconstruction fellowship at the International Center for Limb Lengthening at the Rubin Institute for Advanced Orthopaedics at Sinai Hospital in Baltimore, MD, Dr. Prince also completed an orthopedic oncology fellowship at Sloan-Kettering Cancer Center in New York, NY. Dr. Prince has been involved in multiple research studies in orthopedics at Columbia University, Yale University, Georgetown University, The National Institutes of Health, and Notre Dame University.
